

## CONTENTS

1. Tumors of the Conjunctiva and Caruncle .....	1
Anatomy and Histology .....	1
Lymphatic Drainage .....	2
Classification and Frequency .....	2
Epithelial Neoplasms .....	3
Papilloma .....	3
Keratoacanthoma .....	4
Hereditary Benign Intraepithelial Dyskeratosis .....	5
Other Benign Epithelial Lesions .....	6
Epithelial Cysts .....	6
Nonspecific Keratotic (Leukoplakic) Lesions .....	6
Pseudoepitheliomatous (Pseudocarcinomatous) Hyperplasia .....	6
Leukoplakic Lesions (Ultraviolet Light Related) .....	6
Conjunctival Intraepithelial Neoplasia .....	7
Squamous Cell Carcinoma .....	10
Variants of Squamous Cell Carcinoma .....	12
Mucoepidermoid Carcinoma .....	12
Spindle Cell Carcinoma .....	12
Adenoid Squamous Cell Carcinoma .....	15
Other Carcinomas of the Conjunctiva .....	15
Basal Cell Carcinoma .....	15
Sebaceous Carcinoma .....	15
Lymphoepithelioma-Like Carcinoma .....	16
Melanocytic Tumors .....	16
Nevi .....	16
Nevus Variants .....	19
Other Benign Melanocytic Lesions .....	19
Racial Pigmentation and Benign Epithelial Melanosis .....	19
Ephelides .....	19
Congenital Pigmentation (Ocular Melanocytosis, Oculodermal Melanocytosis) .....	20
Primary Acquired Melanosis .....	20
Melanoma .....	23
Soft Tissue Tumors .....	26
Vascular Tumors .....	27
Myxoma .....	27
Fibrous Histiocytoma .....	28

Embryonal Rhabdomyosarcoma, Botryoid Subtype .....	28
Kaposi's Sarcoma .....	29
Lymphoid Tumors .....	30
Plasmacytoma.....	31
Metastatic Tumors of the Conjunctiva .....	31
Tumor-Like Congenital Lesions.....	32
Dermoid .....	32
Dermolipoma.....	32
Ectopic Lacrimal Gland .....	33
Complex Choristoma.....	33
Smooth Muscle Hamartoma .....	33
Osseous Choristoma.....	33
Tumors of the Caruncle .....	33
2. Tumors of the Uveal Tract .....	41
Anatomy and Histology.....	41
The Iris .....	41
The Ciliary Body .....	42
The Choroid .....	42
Vascularization.....	43
Innervation .....	43
General Considerations .....	43
Melanocytic Tumors of the Uvea.....	43
Nevi .....	43
Melanocytoma (Magenocellular Nevus) .....	47
Malignant Melanoma.....	48
Diffuse Uveal Melanocytic Proliferation .....	62
Nonmelanocytic Tumors of the Uvea .....	63
Mesenchymal Tumors .....	63
Benign Peripheral Nerve Tumors.....	66
Osteoma .....	67
Xanthomatous Lesions .....	68
Reactive Lymphoid Hyperplasia and Primary Non-Hodgkin's B-Cell Lymphoma of the Uvea.....	68
Secondary and Metastatic Tumors .....	70
Leukemia .....	70
Lymphoma .....	70
Plasmacytoma .....	71
Metastatic Tumors .....	71

Cysts . . . . .	72
Staging and Grading of Uveal Melanoma . . . . .	74
Clinical Staging . . . . .	74
Pathologic Staging . . . . .	74
3. Tumors of the Retina . . . . .	85
Anatomy and Histology . . . . .	85
Classification and Frequency . . . . .	86
Retinoblastoma . . . . .	86
Retinocytoma . . . . .	103
Glial Tumors and Tumor-Like Conditions . . . . .	104
Astrocytoma . . . . .	104
Astrocytic Hamartoma . . . . .	104
Massive Gliosis of the Retina . . . . .	105
Vascular Tumors . . . . .	105
Angiomatosis Retinae . . . . .	105
Cavernous Hemangioma . . . . .	106
Melanogenic Neuroectodermal Tumor of the Retina . . . . .	106
Lymphoid Malignancies . . . . .	106
Primary Intraocular Lymphoma . . . . .	106
Leukemia . . . . .	112
Tumors of the Retinal Pigment Epithelium . . . . .	112
Metastatic Neoplasms . . . . .	114
Neuroepithelial Tumors . . . . .	115
Congenital Tumors of the Ciliary Epithelium . . . . .	115
Benign Acquired Tumors of the Ciliary Epithelium . . . . .	121
4. Tumors of the Optic Nerve and Optic Nerve Head . . . . .	133
Anatomy and Histology . . . . .	133
Classification and Frequency . . . . .	134
Meningioma . . . . .	135
Juvenile Pilocytic Astrocytoma . . . . .	140
Melanocytoma . . . . .	145
Astrocytic Hamartoma and Giant Calcified Drusen . . . . .	147
Hemangioma and Hemangiofibroma . . . . .	147
Medulloepithelioma . . . . .	148
Juvenile Xanthogranuloma . . . . .	149
Juxtapapillary Hamartoma . . . . .	150
Malignant Astrocytoma . . . . .	151
Primary Malignant Melanoma . . . . .	151
Secondary and Metastatic Tumors . . . . .	152

5. Tumors of the Eyelids . . . . .	155
Anatomy and Histology . . . . .	155
Tumors . . . . .	158
Benign Epithelial Tumors . . . . .	159
Squamous Cell Papilloma . . . . .	160
Seborrheic Keratosis . . . . .	160
Inverted Follicular Keratosis . . . . .	160
Benign Lichenoid Keratosis . . . . .	160
Large Cell Acanthoma . . . . .	161
Pseudocarcinomatous Hyperplasia . . . . .	161
Keratoacanthoma . . . . .	161
Precancerous Epithelial Lesions . . . . .	162
Actinic Keratosis . . . . .	162
Bowen's Disease . . . . .	162
Radiation Dermatosis . . . . .	163
Xeroderma Pigmentosum . . . . .	163
Malignant Epithelial Tumors . . . . .	164
Basal Cell Carcinoma . . . . .	164
Nevoid Basal Cell Carcinoma Syndrome . . . . .	168
Squamous Cell Carcinoma . . . . .	169
Spindle Cell Squamous Carcinoma . . . . .	170
Adenoid Squamous Cell Carcinoma . . . . .	170
Melanocytic Tumors . . . . .	170
Nevocellular Nevus . . . . .	171
Giant Congenital Melanocytic Nevus . . . . .	173
Blue Nevus, Cellular Blue Nevus, and Nevus of Ota . . . . .	174
Freckle . . . . .	176
Lentigo Simplex . . . . .	176
Solar Lentigo . . . . .	176
Malignant Melanoma . . . . .	176
Lentigo Maligna and Lentigo Maligna Melanoma . . . . .	177
Superficial Spreading Melanoma . . . . .	177
Nodular Melanoma . . . . .	178
Acral Lentiginous Melanoma . . . . .	178
Melanoma Arising from a Nevus . . . . .	179
Malignant Melanoma . . . . .	180
Dysplastic Nevus Syndrome . . . . .	181
Benign Sebaceous Gland Tumors . . . . .	181

Sebaceous Gland Carcinoma . . . . .	182
Tumors of the Eccrine and Apocrine Glands of the Eyelid . . . . .	191
Syringoma . . . . .	191
Pleomorphic Adenoma . . . . .	192
Eccrine Acrospiroma . . . . .	193
Mucinous Sweat Gland Adenocarcinoma . . . . .	193
Primary Cutaneous Adenoid Cystic Carcinoma . . . . .	195
Adenocarcinoma of Eccrine Sweat Glands . . . . .	195
Adenoma and Adenocarcinoma of the Glands of Moll. . . . .	195
Tumors of the Pilar Structures of the Eyelid . . . . .	196
Trichoepithelioma . . . . .	196
Trichofolliculoma . . . . .	197
Trichilemmoma . . . . .	198
Pilomatrixoma . . . . .	199
Adnexal Carcinoma . . . . .	200
Vascular Tumors . . . . .	200
Capillary Hemangioma and Nevus Flammeus . . . . .	200
Cavernous Hemangioma . . . . .	202
Lymphangioma . . . . .	202
Glomus Tumor . . . . .	203
Cutaneous Angiosarcoma . . . . .	203
Xanthomatous Lesions . . . . .	203
Xanthelasma . . . . .	204
Fibrous Histiocytoma . . . . .	204
Tuberous Xanthoma. . . . .	204
Juvenile Xanthogranuloma . . . . .	205
Other Xanthogranulomatous Lesions . . . . .	205
Lipoid Proteinosis. . . . .	205
Miscellaneous Lesions . . . . .	207
Mycosis Fungoides . . . . .	207
Lymphomatoid Granulomatosis . . . . .	208
Nodular Fasciitis. . . . .	209
Juvenile Fibromatosis. . . . .	210
Phakomatous Choristoma . . . . .	211
Granular Cell Tumor . . . . .	211
Merkel Cell Tumor . . . . .	212
Intravascular Papillary Endothelial Hyperplasia . . . . .	212
Erdheim-Chester Disease . . . . .	213

Necrobiotic Xanthogranuloma with Paraproteinemia .....	214
Carney's Complex .....	215
Metastatic Tumors .....	216
6. Tumors of the Lacrimal Gland .....	223
Anatomy and Histology .....	223
Classification and Frequency .....	223
Benign Epithelial Tumors .....	225
Pleomorphic Adenoma (Benign Mixed Tumor).....	225
Oncocytoma (Oncocytic Adenoma, Oxyphilic Adenoma).....	228
Warthin's Tumor (Adenolymphoma).....	228
Myoepithelioma.....	228
Malignant Epithelial Tumors .....	229
Adenoid Cystic Carcinoma .....	229
Malignant Mixed Tumor .....	234
Primary Adenocarcinoma .....	236
Mucoepidermoid Carcinoma .....	237
Miscellaneous Malignant Epithelial Tumors .....	238
Primary Ductal Adenocarcinoma.....	238
Acinic Cell Carcinoma.....	239
Sebaceous Adenocarcinoma.....	239
Lymphoid Tumors .....	239
Mesenchymal Tumors .....	240
Secondary and Metastatic Tumors .....	240
Tumor-Like Lesions .....	240
Chronic Dacryoadenitis.....	240
Benign Lymphoepithelial Lesion.....	240
Lacrimal Gland Cysts.....	241
Staging and Grading of Lacrimal Gland Tumors .....	242
7. Tumors of the Lacrimal Drainage System .....	247
Anatomy and Histology .....	247
Classification and Frequency .....	247
Epithelial Tumors (Papillomas and Carcinomas of the Lacrimal Sac).....	250
Benign Epithelial Tumors.....	250
Malignant Epithelial Tumors .....	253
Nonepithelial Tumors .....	260
8. Tumors of the Orbit .....	265
Anatomy and Histology .....	265
Classification and Frequency .....	266

Fibrous Tumors . . . . .	267
Fibromatosis . . . . .	267
Nodular Fasciitis . . . . .	267
Fibroma . . . . .	268
Fibrous Histiocytoma . . . . .	268
Fibrosarcoma . . . . .	270
Lipomatous Tumors . . . . .	271
Lipoma . . . . .	271
Liposarcoma . . . . .	271
Myogenic Tumors . . . . .	271
Smooth Muscle Tumors . . . . .	271
Rhabdomyosarcoma . . . . .	272
Miscellaneous Skeletal Muscle Tumors . . . . .	276
Vascular Tumors . . . . .	276
Capillary Hemangioma . . . . .	276
Cavernous Hemangioma . . . . .	278
Lymphangioma . . . . .	279
Hemangiopericytoma . . . . .	280
Solitary Fibrous Tumor . . . . .	281
Epithelioid Hemangioma . . . . .	283
Arteriovenous and Venous Anomalies . . . . .	284
Intravascular Papillary Endothelial Hyperplasia . . . . .	284
Angiosarcoma . . . . .	285
Peripheral Nerve Sheath Tumors . . . . .	285
Neurofibroma . . . . .	285
Schwannoma (Neurilemoma) . . . . .	287
Granular Cell Tumor . . . . .	289
Malignant Peripheral Nerve Sheath Tumor . . . . .	289
Bone Tumors . . . . .	290
Fibrous Dysplasia . . . . .	291
Ossifying Fibroma . . . . .	291
Osteosarcoma . . . . .	292
Mesenchymal Chondrosarcoma . . . . .	293
Lymphoid Tumors . . . . .	294
Reactive Lymphoid Hyperplasia . . . . .	295
Lymphoma . . . . .	295
Orbital Plasmacytoma . . . . .	297

Leukemic Disorders .....	297
Granulocytic Sarcoma .....	297
Histiocytosis .....	298
Langerhans Cell Histiocytosis .....	298
Histiocytic Disorders of Mononuclear Phagocytes .....	299
Miscellaneous Orbital Tumors .....	301
Epithelial Cystic Choristoma .....	301
Teratoma .....	303
Endodermal Sinus Tumor .....	303
Pigmented Retinal Choristoma .....	304
Ewing's Family of Tumors .....	304
Primary Orbital Carcinoid and Paraganglioma .....	304
Primary Melanoma .....	304
Alveolar Soft Part Sarcoma .....	305
Secondary Tumors .....	305
Metastatic Tumors .....	306
Staging and Grading of Sarcomas of the Orbit .....	307
9. Pathologic Examination of Ocular Specimens .....	321
The Globe .....	321
Enucleation .....	321
Excision .....	322
Biopsy .....	322
Fine-Needle Aspiration Biopsy .....	323
Cytologic Samples .....	324
The Eyelids .....	324
The Conjunctiva and Caruncle .....	324
The Orbit and Optic Nerve .....	325
The Lacrimal Gland and Sac .....	325
Index .....	329
