

## CONTENTS

1. Nasal Cavity and Paranasal Sinuses . . . . .	1
Embryology, Anatomy, and Histology of the Nasal Cavity . . . . .	1
Embryology . . . . .	1
Anatomic Borders . . . . .	1
Histology . . . . .	1
Embryology, Anatomy, and Histology of the Paranasal Sinuses . . . . .	5
Embryology . . . . .	5
Anatomic Borders . . . . .	5
Histology . . . . .	7
Classification . . . . .	7
Developmental Lesions . . . . .	8
Heterotopic Central Nervous System (Glial) Tissue . . . . .	8
Encephaloceles . . . . .	11
Nasal Dermoid Sinus and Cyst . . . . .	15
Primary Ciliary Dyskinesia . . . . .	16
Noninfectious Inflammatory and Tumor-Like Processes . . . . .	19
Sinonasal Inflammatory Polyps . . . . .	19
Paranasal Sinus Mucocele . . . . .	27
Sinonasal Hamartomas . . . . .	30
Respiratory Epithelial Adenomatoid Hamartoma . . . . .	32
Seromucinous Hamartoma . . . . .	35
Chondro-osseous and Respiratory Epithelial Hamartomas . . . . .	39
Nasal Chondromesenchymal Hamartoma . . . . .	40
Granulomatosis with Polyangiitis . . . . .	40
Myospherulosis . . . . .	49
Extranodal Sinus Histiocytosis with Massive Lymphadenopathy . . . . .	51
Necrotizing Sialometaplasia . . . . .	54
Eosinophilic Angiocentric Fibrosis . . . . .	54
Sarcoidosis . . . . .	55
Rhinophyma . . . . .	55
Relapsing Polychondritis . . . . .	56
Pyogenic Granuloma/Lobular Capillary Hemangioma . . . . .	57
Fungal Diseases . . . . .	61
Fungal Rhinosinusitis . . . . .	61
Noninvasive Fungal Rhinosinusitis: Allergic Fungal Rhinosinusitis . . . . .	61
Fungus Ball . . . . .	65

Invasive Fungal Rhinosinusitis: Acute Invasive FRS . . . . .	66
Chronic Invasive and Chronic Granulomatous FRS . . . . .	67
Sinonasal Mucormycosis . . . . .	69
Rhinosporidiosis . . . . .	72
Other Fungi . . . . .	74
Bacterial Diseases . . . . .	76
Bacterial Rhinoscleroma . . . . .	76
Sinonasal Botryomycosis . . . . .	82
Miscellaneous Sinonasal Bacterial Infections . . . . .	84
Protozoal Diseases . . . . .	85
Mucocutaneous Leishmaniasis . . . . .	85
Amebiasis . . . . .	87
Viral Diseases . . . . .	87
Rhinosinusitis . . . . .	87
Allergic Rhinosinusitis . . . . .	90
Infectious Rhinosinusitis . . . . .	90
Viral Rhinosinusitis . . . . .	90
Bacterial Sinusitis . . . . .	90
Atrophic Rhinosinusitis . . . . .	90
Aspirin Intolerance or Aspirin-Exacerbated Respiratory Disease . . . . .	91
Nonallergic Rhinosinusitis with Eosinophilia Syndrome and Eosinophilic Chronic Rhinosinusitis Syndrome . . . . .	91
2. Oral Cavity and Jaw . . . . .	103
Embryology, Anatomy, and Histology . . . . .	103
Embryology . . . . .	103
Anatomy . . . . .	103
Histology . . . . .	105
Classification . . . . .	108
Developmental Lesions . . . . .	108
Heterotopias (Choristomas) and Hamartomas . . . . .	108
Fordyce Granules . . . . .	108
Ectopic Thyroid Tissue and Lingual Thyroid . . . . .	109
Oral Choristoma . . . . .	111
Tori and Exostoses . . . . .	112
Oral Cavity Cysts . . . . .	113
Oral Lymphoepithelial Cyst . . . . .	113
Nasopalatine Duct Cyst . . . . .	114
Infectious Diseases of the Oral Cavity . . . . .	116
Fungal Disease: Candidiasis . . . . .	116

Other Fungi . . . . .	117
Viruses . . . . .	118
Human Papillomavirus . . . . .	119
Epstein-Barr Virus . . . . .	120
Cytomegalovirus . . . . .	120
Herpes Virus . . . . .	120
Bacteria and Spirochetes . . . . .	120
Gonorrhea . . . . .	121
Syphilis . . . . .	121
Epithelial Inflammatory or Tumor-Like Processes: Reactive Epithelial and	
Epithelial-Related Proliferations . . . . .	122
Verruca Vulgaris . . . . .	122
Condyloma Acuminatum . . . . .	122
Oral Mucosal Condyloma Acuminatum . . . . .	122
Focal Epithelial Hyperplasia . . . . .	124
Oral Hairy Leukoplakia . . . . .	125
Verruciform Xanthoma . . . . .	126
Inflammatory Papillary Hyperplasia . . . . .	129
Pseudoepitheliomatous Hyperplasia . . . . .	129
Proliferative Verrucous Leukoplakia . . . . .	132
Mesenchymal Lesions . . . . .	134
Peripheral Ossifying Fibroma . . . . .	134
Peripheral Odontogenic Fibroma . . . . .	138
Irritation Fibroma . . . . .	139
Giant Cell Fibroma . . . . .	142
Giant Cell Lesions . . . . .	144
Central and Peripheral Giant Cell Granulomas . . . . .	144
Oral Fibrosing Lesions . . . . .	152
Oral Submucous Fibrosis . . . . .	152
Gingival Fibromatosis . . . . .	152
Vascular Lesions . . . . .	157
Pyogenic Granuloma (Lobular Capillary Hemangioma) . . . . .	157
Congenital Epulis (Congenital Granular Cell Tumor) . . . . .	160
Benign Fibro-osseous Lesions of Craniofacial Bones . . . . .	161
Fibrous Dysplasia . . . . .	161
Cemento-Osseous Dysplasia . . . . .	169
Pigmented Lesions . . . . .	169
Exogenous Pigmentations . . . . .	170
Endogenous Pigmentations . . . . .	172

Black Hairy Tongue . . . . .	174
Myospherulosis . . . . .	177
Odontogenic Cysts . . . . .	178
Dentigerous Cyst . . . . .	178
Eruption Cyst . . . . .	185
Glandular Odontogenic Cyst . . . . .	185
Lateral Periodontal Cyst . . . . .	186
Periapical Cyst . . . . .	187
Selective Autoimmune, Allergic, Systemic, and Cutaneous-Type Diseases	
Affecting the Oral Cavity . . . . .	189
Granulomatosis with Polyangiitis . . . . .	189
Lichen Planus . . . . .	189
Aphthous Stomatitis . . . . .	190
Radiation-Associated Changes . . . . .	192
3. Pharynx . . . . .	207
Embryology, Anatomy, and Histology . . . . .	207
Embryology . . . . .	207
Anatomy . . . . .	207
Anatomic Borders . . . . .	207
Histology . . . . .	209
Classification . . . . .	212
Developmental Cystic Lesions: Nasopharyngeal Cysts . . . . .	212
Rathke Pouch Cyst . . . . .	215
Thornwaldt Cyst . . . . .	216
Pharyngeal Hamartomas, Choristomas, and Teratomatous Lesions . . . . .	219
Nasopharyngeal Hamartomas . . . . .	219
Pharyngeal/Nasopharyngeal Central Nervous System Heterotopias . . . . .	219
Nasopharyngeal Dermoid, or Teratoid, Lesions . . . . .	219
Lymphangiomaticous Polyp of the Tonsil . . . . .	222
Salivary Gland Anlage Tumor . . . . .	224
Infectious Diseases . . . . .	224
Tonsillitis . . . . .	224
Peritonsillar Abscess . . . . .	228
Lemierre Disease/Syndrome . . . . .	230
EBV-Related Diseases and Infectious Mononucleosis . . . . .	230
Human Papillomavirus . . . . .	235
Human Immunodeficiency Virus Infection and Acquired Immunodeficiency Syndrome . . . . .	235
HIV-Related Lymphoid Changes of Nasopharyngeal and Palatine Tonsils . . . . .	237

	AIDS-Related Opportunistic Infectious Diseases . . . . .	245
	Cytomegalovirus . . . . .	245
	Herpes Simplex Virus . . . . .	245
	Measles Infection . . . . .	248
	Fungus Infections . . . . .	248
	Bacteria and Spirochetes . . . . .	248
	Reactive, Inflammatory, and Tumor-Like Lesions . . . . .	250
	Tangier Disease . . . . .	250
4.	Neck . . . . .	263
	Anatomy . . . . .	263
	Classification . . . . .	263
	Cystic (Non-neoplastic Lesions of the Neck) . . . . .	264
	Branchial Anomalies . . . . .	264
	First Branchial Anomalies . . . . .	267
	Second Branchial Anomalies . . . . .	269
	Third Branchial Anomalies . . . . .	279
	Fourth Branchial Anomalies . . . . .	280
	Thyroglossal Duct Cyst . . . . .	280
	Cervical Thymic Cyst . . . . .	285
	Bronchogenic Cysts . . . . .	287
	Dermoid Cyst . . . . .	292
	Infectious Diseases . . . . .	292
	Mycobacterial Tuberculosis Infection . . . . .	292
	Scrofula . . . . .	294
	Mycobacterial Spindle Cell Pseudotumor . . . . .	297
	Actinomycosis . . . . .	298
	Cat Scratch Disease . . . . .	300
	Bacillary Angiomatosis . . . . .	302
	Other Infectious Diseases . . . . .	305
	Inflammatory and Tumor-Like Lesions . . . . .	306
	Sarcoidosis . . . . .	306
5.	Larynx and Trachea . . . . .	319
	Embryology, Anatomy, and Histology: Larynx . . . . .	319
	Embryology . . . . .	319
	Anatomy . . . . .	319
	Histology . . . . .	320
	Laryngeal Cartilages . . . . .	322
	Embryology, Anatomy, and Histology: Trachea . . . . .	324
	Embryology . . . . .	324

Anatomy . . . . .	324
Histology . . . . .	324
Classification . . . . .	324
Developmental Lesions . . . . .	324
Laryngomalacia . . . . .	324
Tracheopathia Osteochondroplastica . . . . .	325
Hamartomas, Choristomas, and Ectopias . . . . .	327
Infectious Diseases . . . . .	328
Granulomatous Laryngopharyngitis . . . . .	329
Viruses . . . . .	330
Bacteria . . . . .	331
Fungi . . . . .	333
Protozoa . . . . .	334
Noninfectious Inflammatory Diseases . . . . .	334
Angioedema/Allergic Laryngitis . . . . .	334
Sarcoidosis . . . . .	335
Autoimmune Diseases . . . . .	335
Granulomatosis with Polyangiitis . . . . .	335
Relapsing Polychondritis . . . . .	338
Tumor-Like Processes . . . . .	339
Vocal Cord Nodules and Polyps . . . . .	339
Laryngocele and Saccular Cyst . . . . .	340
Other Laryngeal Cysts . . . . .	342
Contact Ulcer of the Larynx . . . . .	342
Necrotizing Sialometaplasia . . . . .	345
Laryngeal Amyloidosis . . . . .	347
Subglottic Stenosis . . . . .	349
Rheumatoid Nodule . . . . .	351
Teflon Granuloma . . . . .	351
Reactive Epithelial Changes . . . . .	354
Radiation-Associated Changes . . . . .	357
Laryngeal Manifestations of Dermatologic Disorders . . . . .	360
Epidermolysis Bullosa . . . . .	360
Pemphigus . . . . .	360
Mucous Membrane Pemphigoid . . . . .	360
6. Salivary Glands . . . . .	369
Embryology, Anatomy, and Histology . . . . .	369
Embryology . . . . .	369
Anatomy . . . . .	369

Histology . . . . .	371
Classification . . . . .	375
Developmental Lesions . . . . .	375
Accessory Parotid Glands . . . . .	375
Salivary Gland Heterotopia (Ectopias, Choristomas) . . . . .	375
Salivary Gland Hamartomas and Adenomatoid Hyperplasia . . . . .	377
Salivary Cysts . . . . .	377
Salivary Duct Cyst and Mucous Retention Cyst . . . . .	377
Mucus Extravasation Phenomenon (Extravasation Mucocele) . . . . .	379
Ranula . . . . .	380
Lymphoepithelial Cysts . . . . .	381
Polycystic (Dysgenetic) Disease . . . . .	382
Metaplasia and Hyperplasia . . . . .	382
Oncocytic Metaplasia and Oncocytosis . . . . .	382
Sialadenosis . . . . .	385
Infectious, Inflammatory, and Reactive Diseases . . . . .	386
Acute Sialadenitis and Viral Parotitis (Mumps) . . . . .	386
Chronic Nonautoimmune Sialadenitis . . . . .	386
Human Immunodeficiency Virus Salivary Gland Disease . . . . .	387
Lymphoepithelial Sialadenitis . . . . .	390
Sjögren Syndrome . . . . .	390
IgG4-Related Sialadenitis . . . . .	394
Sarcoidosis . . . . .	396
Tumor-Like Lesions . . . . .	398
Necrotizing Sialometaplasia . . . . .	398
Subacute Necrotizing Sialadenitis . . . . .	399
Extranodal Sinus Histiocytosis with Massive Lymphadenopathy (Rosai-Dorfman Disease) . . . . .	400
Intercalated Duct Lesion . . . . .	401
7. Ear and Temporal Bone . . . . .	413
Embryology, Anatomy, and Histology . . . . .	413
Embryology . . . . .	413
Anatomy . . . . .	414
Histology . . . . .	417
Classification . . . . .	420
Congenital Abnormalities . . . . .	420
Accessory Tragus . . . . .	420
Branchial Cleft Anomalies . . . . .	421

Tumor-Like Lesions of the External Ear Region . . . . .	421
Keloid . . . . .	421
Chondrodermatitis Nodularis Chronicus Helicis. . . . .	425
Idiopathic Cystic Chondromalacia of the Auricular Cartilage . . . . .	426
Exostosis . . . . .	429
Synovial Chondromatosis of the Temporomandibular Joint. . . . .	430
Kimura Disease and Epithelioid Hemangioma. . . . .	433
Infectious Diseases of the External Ear . . . . .	436
Necrotizing External Otitis. . . . .	436
Infectious and Inflammatory Lesions of the Middle Ear and Temporal Lobe . . . . .	438
Otitis Media . . . . .	438
Otic (Aural) Polyp . . . . .	444
Cholesteatoma . . . . .	446
Langerhans Cell Histiocytosis. . . . .	450
Heterotopias of the Middle Ear and Mastoid . . . . .	453
Middle Ear Salivary Gland Heterotopia . . . . .	453
Middle Ear Neuroglial Heterotopia. . . . .	454
Acquired Encephalocele . . . . .	454
Autoimmune, Degenerative, and Systemic Diseases . . . . .	455
Relapsing Polychondritis . . . . .	455
Granulomatosis with Polyangiitis . . . . .	457
Tophaceous Gout . . . . .	458
Tophaceous Pseudogout . . . . .	459
Osteosclerosis . . . . .	461
Paget Disease of Bone . . . . .	463
Ménière Disease . . . . .	463
Developmental Defects of the Middle Ear and Temporal Bone . . . . .	464
Index . . . . .	477
